

Beekeeping - in theory

A series of educational talks and demonstrations aimed at novice or would be beekeepers.

These will be held on Wednesday evenings between 7.30 and 9.30pm at The Village Hall, Woodmansey.

The course is available to members of Beverley Beekeepers at £30

(non – members £35 includes £5 basic membership of Beverley Beekeepers)

- | | |
|---------------------------------|---|
| 19th October | An introduction to beekeeping and natural history |
| 23rd November | Equipment and apiary hygiene |
| 18th January | Good Husbandry – keeping healthy bees, pests and disease |
| 22nd February | The Beekeeping year |
| 21st March | Managing swarming |

The lectures will be delivered by more experience beekeepers from Beverley and

the local area. It is an informal gathering with time to ask questions and improve your beekeeping knowledge. For those who have undertaken a course during the summer this is an excellent way to consolidate your new knowledge and learn a little more about how to manage your bees.

Refreshments will be provided.
